3	B.E - Electrical and Electronics Engineering	60	30
4	B.E - Electronics and Communication Engineering	60	13
5	B.E - Mechanical Engineering	60	33

Admission Procedure followed by TNEA Guidelines:

ADMISSION PROCESS IN OCE

The admission process in OCE follows a structured procedure governed by both government regulations and institutional policies. Below is a detailed breakdown of the process:

1. Eligibility Criteria to be eligible for admission into OCE, candidates must meet the following criteria:

- **Educational Qualification:** Candidates must have passed the Higher Secondary Examination (HSC / 10+2) or an equivalent examination with Physics, Chemistry, and Mathematics as core subjects

- **Minimum Marks Requirement:** o General Category: Minimum 45% aggregate in PCM (Physics, Chemistry, Mathematics).
- **SC/ST/OBC Candidates:** Minimum 40% aggregate in PCM (as per Tamil Nadu government norms).
- **Age Limit:** There is no upper age limit, but candidates must have completed 17 years of age at the time of admission.

2. Admission Through Government Quota (TNEA) A significant portion of seats i.e., 65% of total sanctioned intake is filled through the Tamil Nadu Engineering Admissions (TNEA), conducted by DOTE.

Steps in the TNEA Admission Process:

1. **Online Registration:** Candidates must register on the TNEA official website by filling out personal and academic details.

2. **Application Submission:** Required documents, including mark sheets, community certificates (if applicable), and nativity certificates, must be uploaded.

3. **Rank List Publication:** Anna University releases a rank list based on +2 marks (no entrance exam for TNEA).

4. **Counseling Process:** Candidates are called for online counseling based on their ranks, where they can choose their preferred colleges and branches.

5. **Seat Allotment:** Based on merit and choices, candidates are allotted seats.

6. **Final Admission:** Candidates must report to the allotted college, verify documents, and pay the fees to confirm admission.

3. Admission Through Management Quota Private engineering colleges in Tamil Nadu are allowed to admit students under the Management Quota (Direct Admission), which usually accounts for 35-50% of the total seats.

Management Quota Admission Process:

1. **Application Form Submission:** Students can apply directly to the college through online or offline application forms.

2. **Merit-Based Selection:** Some reputed private colleges conduct entrance tests or personal interviews.

3. **Seat Confirmation:** Admission is granted based on academic performance and availability of seats.

4. **Fee Payment:** Students must pay the prescribed tuition fees and submit necessary documents for verification.

4. Admission Through Consortium of Private Colleges Apart from TNEA and direct admissions, some self-financing engineering colleges admit students through a consortium process. The Consortium of Self-Financing Professional, Arts, and Science Colleges in Tamil Nadu conducts its own admission procedure.

Steps in Consortium Admission Process:

- Students must apply through the consortium's official website or designated admission centers.
- Merit lists are prepared based on 10+2 marks or entrance tests conducted by the consortium.
- Shortlisted candidates attend counseling sessions to choose their preferred colleges and courses.

5. Lateral Entry Admissions (Diploma Holders) Diploma holders seeking direct admission into the second year (3rd semester) of B.E./B.Tech programs can apply through the Direct Second Year Admission (Lateral Entry) Scheme.

- Admissions for government quota are handled through TNDOTE (Tamil Nadu Directorate of Technical Education) counseling
- Management quota seats can be applied for directly at private colleges.

6. Admission for NRI & Foreign Students Private engineering colleges in Tamil Nadu also offer admissions under the NRI (Non Resident Indian) quota and foreign student category.

- NRI candidates must submit proof of NRI status, along with academic records.

Department wise Laboratory

S.No	Degree & course	Laboratory/workshop/studio
1	B.E.-Civil Engineering	Surveying Laboratory

DELNET/AGM/2025

November 18, 2025

Sub: DELNET Annual General Body Meeting (Hybrid) on December 22, 2025

Dear Sir/Madam,

We would like to bring to your kind attention that the **34th Annual General Body Meeting of DELNET will be held in Hybrid mode (In-person as well as Online) on Monday, December 22, 2025 at 11:30 a.m. at DELNET, New Delhi.** We would like to mention that the meeting can be attended in-person at DELNET, New Delhi or can also be attended Online by the Member-Institutions.

Kindly register in advance for attending the meeting online at the following link. A confirmation email will be sent with the link for attending the meeting online.

www.delnets.in/agm.htm

We request you to kindly attend the meeting (in-person at DELNET, New Delhi or Online) or depute your Librarian/In-Charge Library/Institutional Representative to attend the meeting. Minutes of the previous meeting held on December 18, 2024 and the audited statement of accounts of DELNET for the FY 2024-25 are enclosed herewith. Please note that TA/DA will not be paid by DELNET for attending the AGM meeting.

The following will be the Agenda of the Meeting:

1. Confirmation of the minutes of the previous meeting.
2. President's opening address.
3. Report of the Director for the financial year 2024-25.
4. Approval of the audited accounts of DELNET for the financial year 2024-25.
5. Appointment of the Auditors for the financial year 2025-26.

Any other matter with the permission of the Chair.

Thanking you,

Yours faithfully,

Dr. Sangeeta Kaul
